2024 -2025 Preschool & Kindergarten Registration

North Hanover Twp School district will start Preschool (3 yr old & 4 yr old) and Kindergarten (5 yr old) registration for the 2024-2025 school year on February 20, 2024. We encourage you to complete the registration process as early as possible.

Children being registered must be three, four, or five years old **on or before October 1, 2024**, and reside in North Hanover Township or Joint Base MDL. All programs are a full day with transportation.

If your child currently attends our preschool program, you do not need to register again. Students currently attending school will roll into their next grade automatically.

To facilitate a smooth registration process we ask that you complete the following:

Step 1: Print and complete the registration forms. Registration forms are available in each school or online at nhanover.com as a downloadable PDF file.

Step 2: Pre-register online at nhanover.com

Step 3: Submit the completed registration forms and required documents to the school. The required documents for registration are the completed registration packet, proof of residency, student's birth certificate, current physical, and immunization record. Families have 3 ways to submit registration paperwork: online, email, or dropbox. Please see our website for more details.

Once the online registration form and documentation are complete and reviewed by school staff, the student will be registered for the 2024-25 school year. If there are any issues with your submission or documents, school staff will contact you to follow up.

If you have any registration questions, please call your child's school office.
